Peinturarium

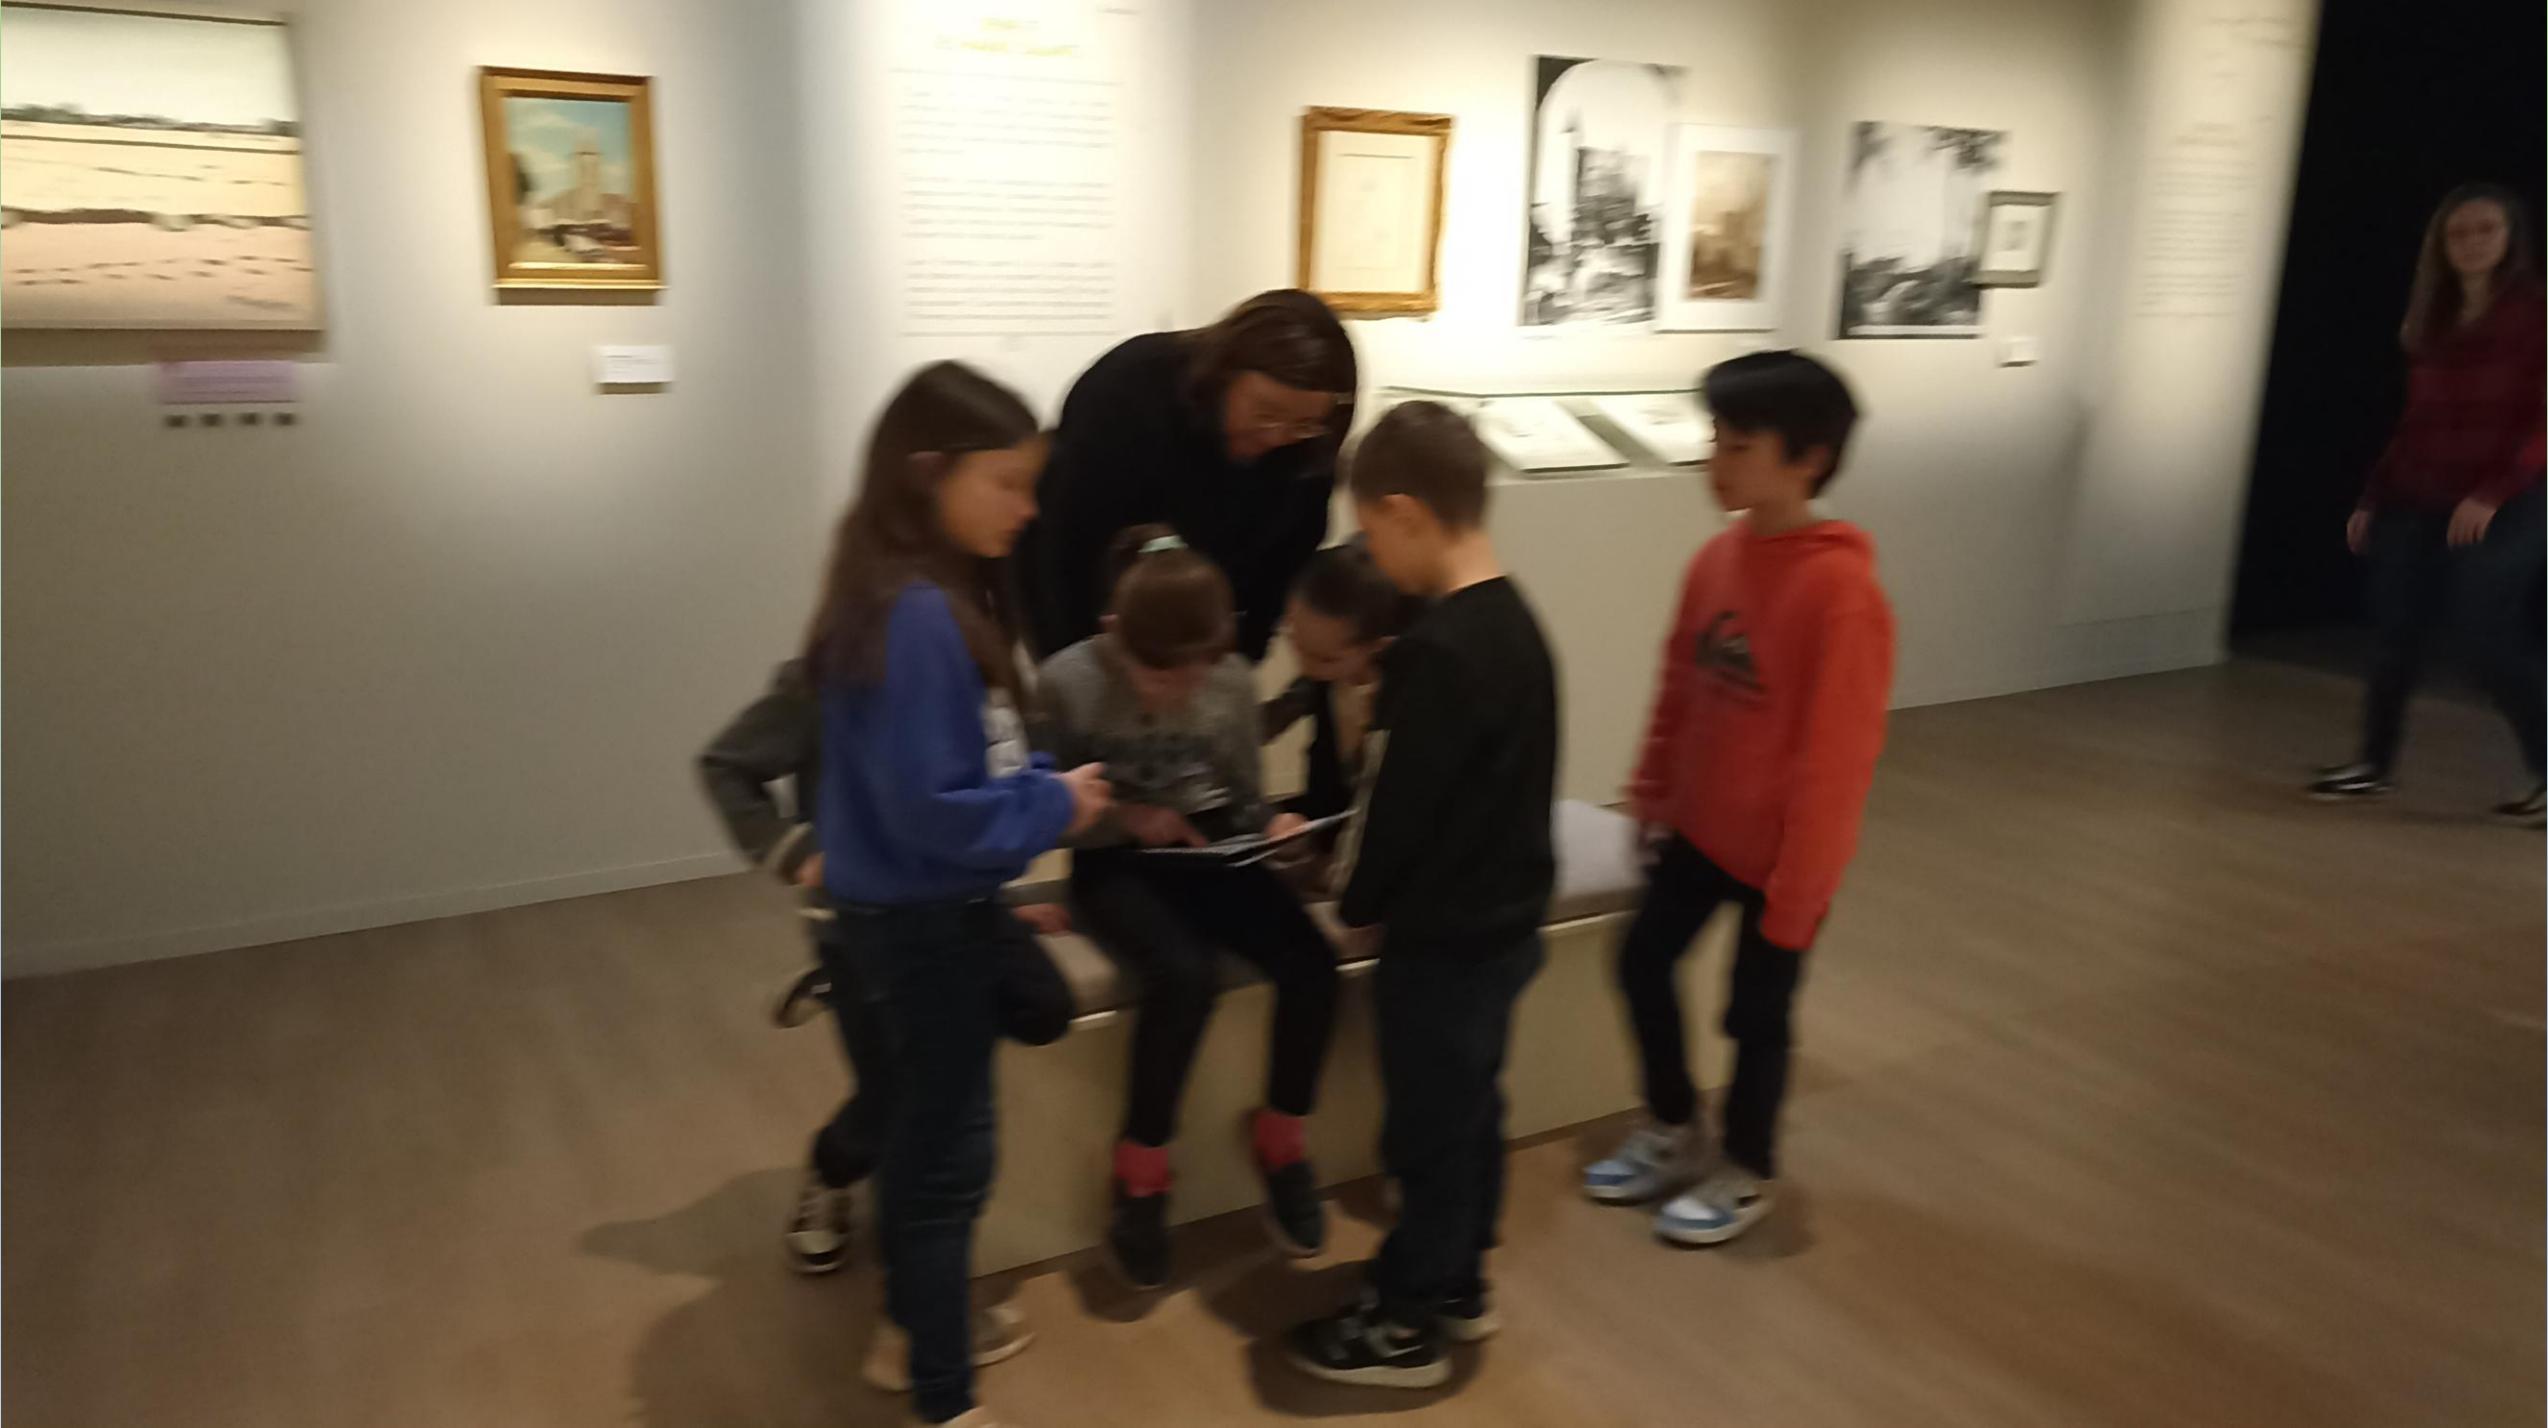

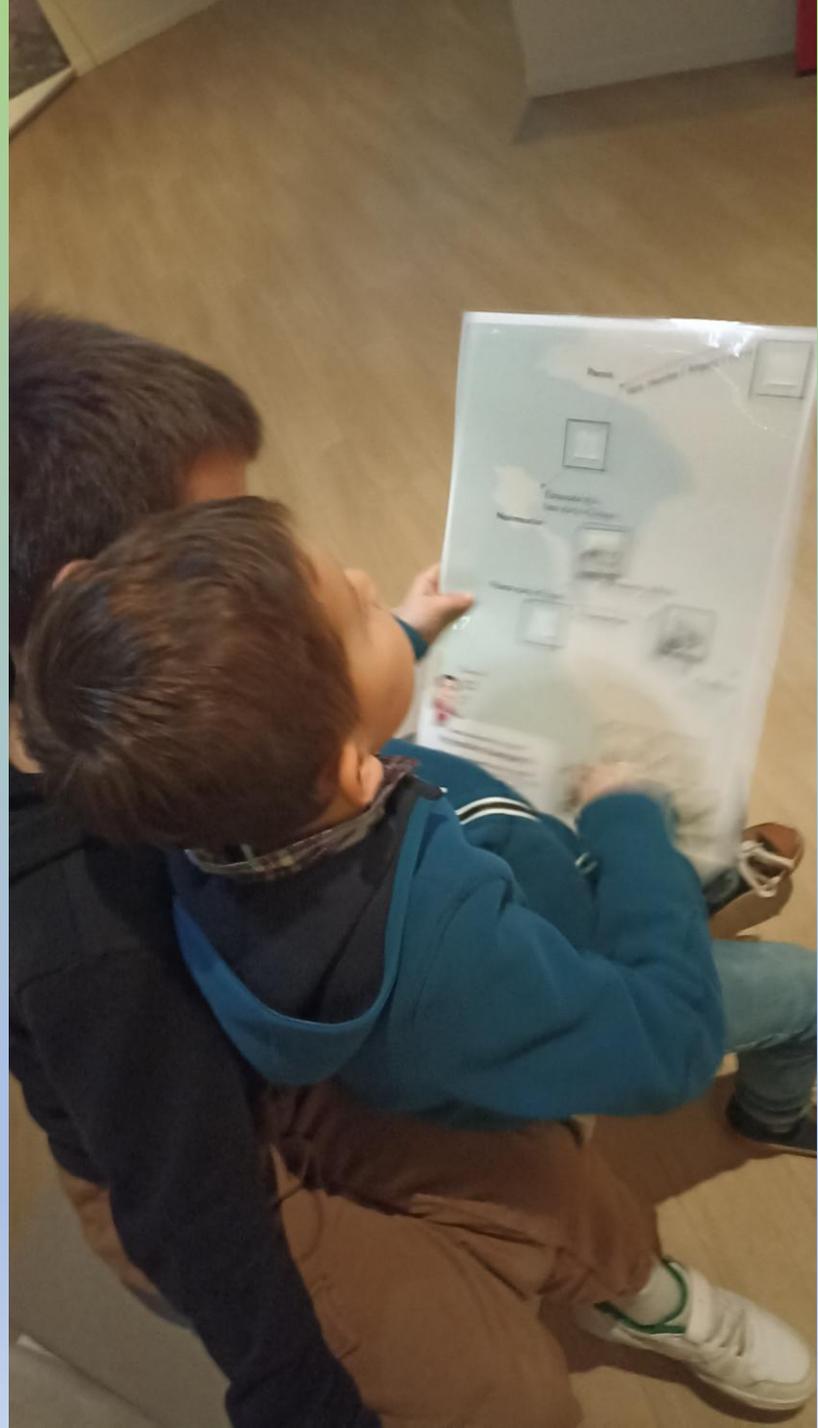

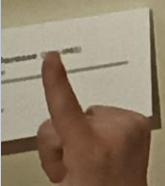

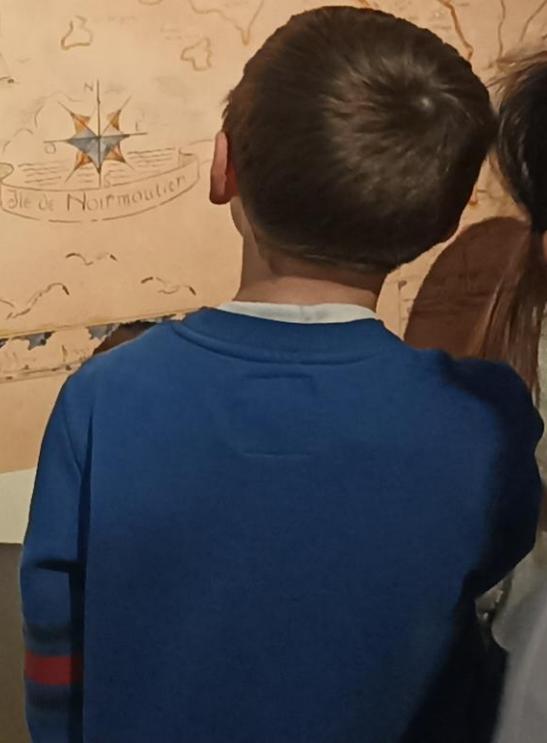

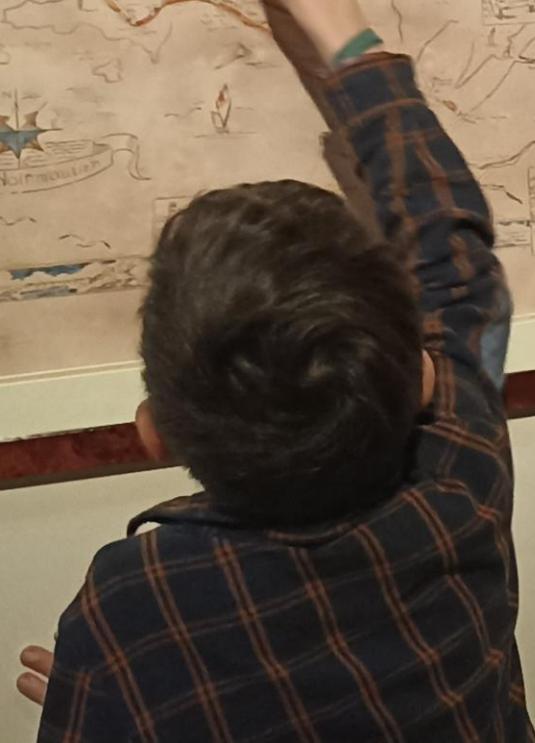

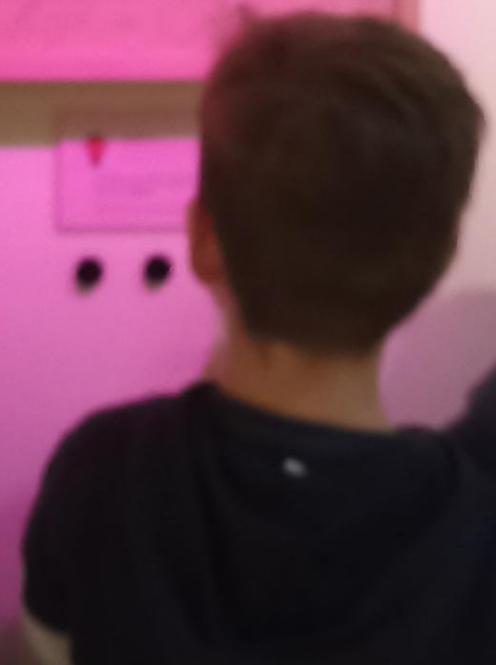

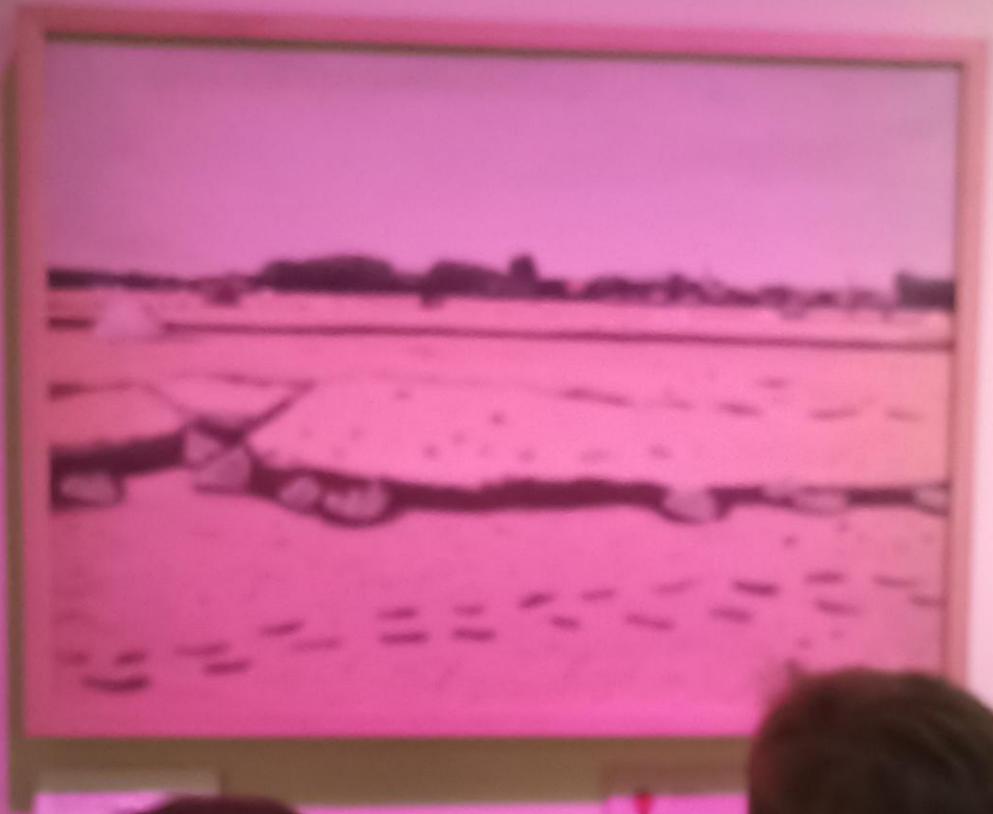

A woman in a light-colored, vertically striped button-down shirt and blue jeans stands in front of the painting, looking down at a young girl. She appears to be providing information or a tour.

A young girl in a dark blue hoodie with 'HARRY POTTER' printed on it is looking at a book or a set of papers she is holding. She is standing between the woman and the painting.

A group of about seven children are sitting on the floor in a circle, facing the woman and the painting. They are dressed in casual clothing like hoodies and t-shirts. One girl on the right is wearing a white hoodie with colorful patterns, including a penguin. The children appear to be listening to the woman's presentation.

Ficaire

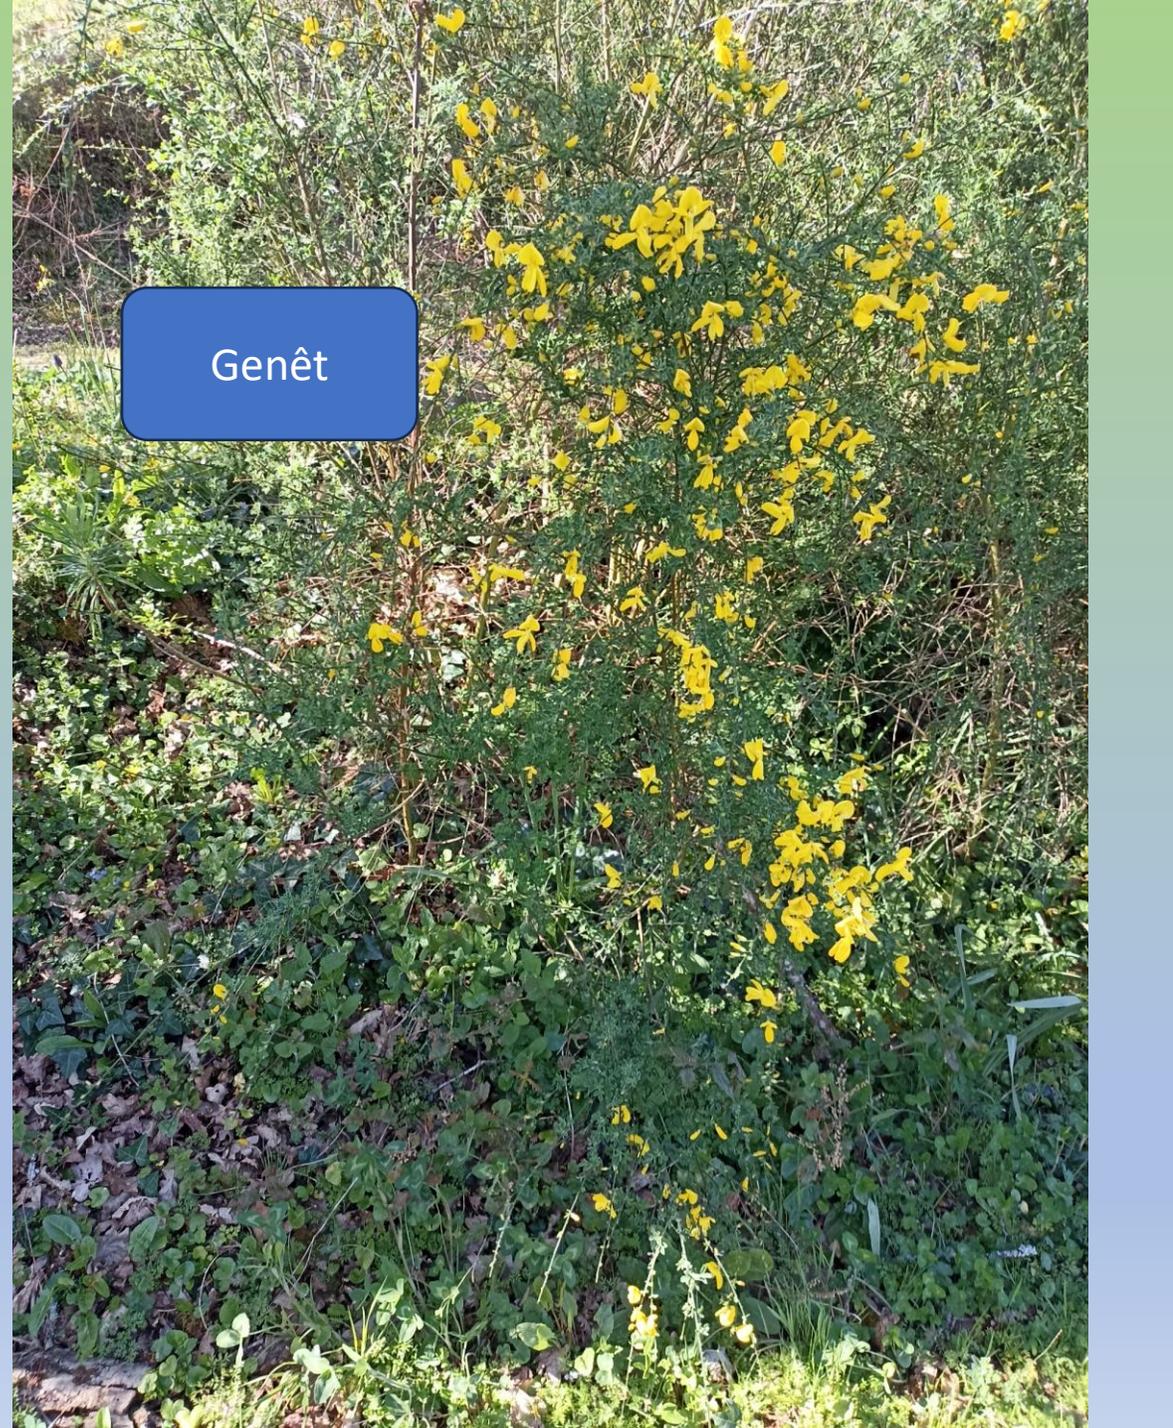

Stellaire

A close-up photograph of a person's hand holding a small, vibrant purple flower. The hand is positioned in the upper right quadrant of the frame, with the fingers gently gripping the stem of the flower. The flower has five distinct petals and a small green stem. The background is blurred, showing a dark jacket and a yellow object, possibly a bag or umbrella.

Violette

A photograph of a dense, bushy plant with numerous small, bright yellow flowers. The plant is the central focus, with its thin, woody stems and green leaves creating a textured background. The flowers are scattered throughout the bush, some in full bloom and others as buds. The ground is covered with dry leaves and other low-lying vegetation.
